

Future Portage Rocket Football Sponsors,

Portage Rocket Football has been serving this community for over 50 years. Support from businesses like yours allows over 300 youths from Portage and the Greater Kalamazoo area to participate in flag and tackle football. As we strive to continually improve our program and make it accessible to even more children, we recognize that it would not be possible without the support of businesses in our area.

Sponsorships and donations assist with costs associated with uniforms, equipment, field usage, training, and MHSAA officiating as well as helping financially stressed families with registration fees. Sponsorships of any amount are greatly appreciated, but sponsorships of \$400 or more will include your business logo on our website and Facebook page plus sponsor acknowledgements during home tackle football games. For \$800, your business will also include a sponsor sign/flag for one of our flag football fields for all flag game days (6), which will be limited to the first four businesses to select this package.

We need your assistance to enable our children to grow not only in skill development of the game, but also learning the value of working hard in a team environment. Please take a moment of your time to consider the rewards of being a part of our program. Your sponsorship can be used as an advertisement for your business or a donation to our non-profit [501(c)(3)] organization.

If interested in a sponsorship opportunity or donation, please complete the attached form.

Thank you for your consideration in sponsoring Portage Rocket Football. I look forward to hearing from you. If you have any questions, please contact me.

Sincerely,

Joseph Patrick

President
